and President in Council.

Dear Sir,

At a meeting held last night at the Mayo Hall, presided over by F.J.Richards, Esq., I.C.S., Collector of the Civil and Military Station, it was decided to approach the Government of H. H. the Maharaja of Mysore for their permission to allow us to use a portion of the Cubbon Park to hold a Fête and Industrial Exhibition, for which the Municipalities of the City and the Civil and Military Station are both in favour.

To facilitate matters we take the liberty to approach you for the necessary authority as we are unable to put the matter through the proper channel, i,e. Mr. Krumbiegel as he is away on deputation.

If you would like to see us personally on the matter we will be very pleased to wait upon you at any time and place you may arrange.

Thanking you in anticipation,

We beg to remain,

Dear Sir,

Yours obediently,

The Hon'ble Joint Secretaries
Christmas Fête and Industrial
Exhibition
Bangalore

Dear Sirs

With reference to your letter of yesterday, the last. will have no objection to your using a portion of the Cubbon Park to hold a Christmas Fête and Industrial Exhibition. You do not say which part of the Park you would like to have. Probably you intend the portion to the left of the Rd road from the Queen's Statue to the Sheshadri Memorial Hall.

I would suggest your settling the details in consultation with the Senior Councillor, Mr K. P. Puttannachetty, who has kindly undertaken to attend to the matter.

Yours truly

Dear Sir,

We have been favoured with a letter dated 1st. December from the Dewan, in which he suggests our settling with your good self the selection of a site in the Cubbon Park for the Fête and Industrial Exhibition to be held on the 26th., 27th. and 28th. December.

What time and date will be convenient for you to meet a few of the members interested so that the matter of enclosing the ground could be put in hand at once?

K.P.Puttanna Chetty Esq:

1st. Councillor,

Mysore Govt. Offices.

Dear Sir,

In reply to your letter of the 3rd. December, I beg to send sketch of the ground required for the Xmas Fête and Industrial Exhibition.

As the terrace in front of the Govt. Offices is the only level piece of ground in the Park, the Committee suggests that all flat races, sack races, cycle and motor gymkhana etc, might be held there. By having the above on the terrace there will be no chance of the ground being broken up.

Looking at the Govt. Offices from the terrace, the centre portico might be kept aside for H.H.The Maharaja,the left portico for Purdah Ladies, and the right portico for the British Resident and his friends.

If you could arrange to close the stairs, allowing for the admittance only of the above mentioned visitors it would assist the Committee a great deal.

The ground below the terrace will be used for Industrial Exhibits, Amusements, Wrestling etc, the Industries will be arranged adjoining the avenue 15 or 20 feet away from the side of the road.

There will be two entrances, one at the Queen's Statue, and the other near the Tennis Courts.

All roads leading through the Park, will be left open to 12 noon on the 26th. 27th. and 28th. December.

Should you require any further information, I shall be glad to furnish it.

I am,

Dear Sir,

Yours faithfully,

J. H. Worster

Dear Sir,

Your letter of yesterday enclosing sketch of ground proposed to be reserved for the Xmas Fete and Industrial Exhibition, 1910. The Dewan approves of the arrangements generally. I have informed you and the members of the Committee personally that the ground should not be damaged or disfigured in any way and all holes should be filled in after the Fete is over. Care should be taken that the trees, shrubs, flowerplants and beds are not damaged in any way, more particularly on the Terrace in front of the public offices. The centre portico may be reserved for H.H. the Maharaja & party, the north portico for the Hon'ble the Resident, the Dewan and their friends and the south portico for purdah ladies as proposed by you.

It may be necessary to allow clerks to attend to urgent work at the discretion of Heads of Departments on the days of the Fete. I shall be glad to discuss the matter further with you. May I suggest that you should have an entrance near the public offices for the visitors from the City proper?

Yours Sincerely

No objection to the arrangements proposed except as to the closing of the staircases. At least one of the three days (26-27th + 28th) of the fête will be a working day for the office staffs & the staircases will have to be open for the officials: the portico may be reserved as proposed. + arrangements made to exclude the general public (apart from officials) from the building.
